

IICF: Your Gateway to Global Finance Excellence

Welcome to the International Institute of Chartered Finance—a revolutionary initiative by MAHASAMVIT GROUP that's reshaping how India prepares its next generation of finance professionals for the global stage.

Our Mission: Building Tomorrow's Finance Leaders

Mission

We provide world-class training to aspiring finance professionals, ensuring they contribute meaningfully to global capital markets whilst serving society with integrity and expertise.

Vision

Our ambitious goal is to train 2,000 students annually with an unprecedented 100% job placement guarantee, making quality finance education accessible across India.

Core Values

- Unwavering integrity in education
- Commitment to deep knowledge
- Comprehensive student support
